## **Diabetes Prediction**

**App User Manual**

**Author: Suhani Shenoy**

# Acknowledgements

- A small vote of thanks for all who have helped you in this journey of App Development – your parents, Mr Ken, Clevered, and Mentors

# About Me..

- Hi! My name is Suhani
- I am a Grade 10 student at British School Muscat
- I love to take pictures and watch movies

# About My Internship with Clevered..

- My internship experience has been very good so far with Clevered because I am enjoying the process of making my project and I always receive help quickly whenever I am stuck

# About App..

- The app will ask for an input for certain criteria which will help the program predict whether or not you are susceptible to diabetes

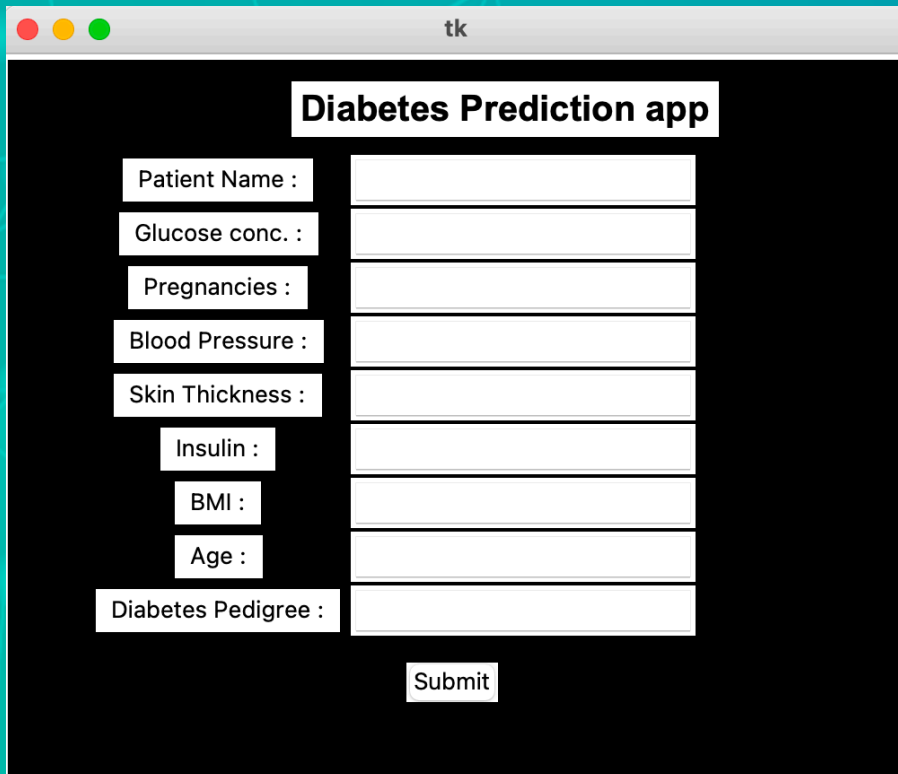

**Diabetes Prediction app**

Patient Name :	<input type="text"/>
Glucose conc. :	<input type="text"/>
Pregnancies :	<input type="text"/>
Blood Pressure :	<input type="text"/>
Skin Thickness :	<input type="text"/>
Insulin :	<input type="text"/>
BMI :	<input type="text"/>
Age :	<input type="text"/>
Diabetes Pedigree :	<input type="text"/>
<input type="button" value="Submit"/>	

**How do I use the App?**

# Steps to follow:

The image shows a Tkinter window titled "tk" containing a "Diabetes Prediction app" form. The form has a black background with white labels and input boxes. The labels and their corresponding input boxes are arranged in two columns. The labels are: Patient Name, Glucose conc., Pregnancies, Blood Pressure, Skin Thickness, Insulin, BMI, Age, and Diabetes Pedigree. The input boxes are white with black borders. A "Submit" button is located at the bottom center of the form.

Label	Input Box
Patient Name :	<input type="text"/>
Glucose conc. :	<input type="text"/>
Pregnancies :	<input type="text"/>
Blood Pressure :	<input type="text"/>
Skin Thickness :	<input type="text"/>
Insulin :	<input type="text"/>
BMI :	<input type="text"/>
Age :	<input type="text"/>
Diabetes Pedigree :	<input type="text"/>

Submit

- Fill out the input boxes next to each label
- After all have been filled, press on submit
